

## Poem Photo Story

Your assignment is to create a Photo Story of a poem using Photo Story 3 for Windows. Here are the steps:

- 1) Select a famous literary poem by a published author and get the poem choice approved by your instructor **OR** you may write your own original lyrical poem of sonnet length.
- 2) Use the PhotoStory program to sync images and music with the poem.
- 3) Save your project as a .wmv file.
- 4) See the rubric below for grading guidelines.

Photo Story Rubric	Points Possible	Points Awarded
Time length of presentation (2:00 minimum, 3:00 maximum)	25	
Student's use of poetic devices such as: Rhyme scheme Rhythm Figurative language (i.e. simile, metaphor, onomatopoeia, personification, paradox, symbolism, etc.)  OR TPCASTT of a famous poem	25	
Slide Show Quality: effective transitions between slides, clear images, thematically appropriate images, readability of text (text does not interfere with images) Music is thematically appropriate and compliments presentation without overpowering. Lyrics and volume from musical choice do not interfere with the poetry.	25	
Conventions: Poem is edited meaningfully for line breaks, separate stanzas, spelling, usage, and punctuation	25
